

HOW AMAZING

Brent.Helming / Kelly Helming

I know You know my heart
Every dream, each thought
I am laid bare before Your view
And this very frame of mine
Was part of Your grand design
Even before the world was new

You know these words
before they move beyond my tongue

Chorus:

How Amazing are Your ways
How Amazing are Your ways
How Amazing are Your ways
And how You love me.

You govern the stars at night
And give each new day its light
Your Glory unfolding endlessly
Gazing on all You've made
Your majesty on display
I'm humbled that You consider me

(And) You know these words
before they move beyond my tongue

Chorus:2

How can I not give you praise
Bow in worship all my days
How amazing are Your ways
And how you love me
